- September 22th, 2017 – Annual Scientific Symposium
- November 16th, 2017 - Holiday/Officer installation Party

Our first event held, on March 07, 2017 at Pastaria was an enormous success. We were honored to have Scott Handley as our speaker. He was talking on “Analysis of Microbiomes in Health and Disease”. I want to thank to everyone who could come out and make this technical meeting a success. Our next event is scheduled for June 20th, 2017. We will be having another technical lunch meeting. Stay tuned for a complete update and more details.

If you have any ideas or if you would like to be a speaker, or know a good speaker, we would love to hear about it. I want to thank all members and non-members who support this beautiful organization. If you have any suggestion or anything you would like to see, please contact any of the board members and/or me.
